# ¡Ay Cua Cuá!

In the year of 2017, as a result of the APOYARTE grant, Saxodia made its first record production: ¡Ay Cua Cuá! Música mexicana para el Cuarteto de Saxofón (**¡Ay Cua Cuá! Mexican music for the Saxophone Quartet**), in which the group proposes a journey through the genres of Mexican music where the saxophone has been a leading instrument. Genres such as bolero, danzón, traditional Mexican music and mambo are some of the styles that make up the album, thus highlighting the contribution of the saxophone to the musical richness of Mexico.
